Protect Your Skin Naturally

Insects are just a part of nature and there's no sense in letting them bother you. Essential oils offer a way to live in harmony with the natural presence of gnats and mosquitoes by helping to keep them at bay.

Bug Beware Body Spritz

12 drops Aura Cacia Citronella Essential Oil

12 drops Aura Cacia Geranium Essential Oil

12 drops Aura Cacia Lemon Eucalyptus
Essential Oil

12 drops Aura Cacia Patchouli Essential Oil
