

Aura Cacia®

pure aromatherapy

Purity Guaranteed

All Aura Cacia® essential oils must pass a series of tests to ensure their authenticity, quality and purity. These tests include optical rotation, specific gravity, refractive index, gas chromatography/mass spectrometry, chiral gas chromatography, and sensory evaluation. Every batch is tested before packaging for absolute quality assurance and purity so the customer gets exactly what they pay for.

Nothing less than 100% pure essential oils.

Aura Cacia uses the most natural and gentle ingredients available and only 100% pure essential oils to provide the most desired aromatherapy benefits for the mind, body and spirit. To learn more about Aura Cacia products and purity guarantee visit www.auracacia.com.
