5-THINGS YOU SHOULD KNOW ABOUT AURA CACIA®

1. *Nearing 30 years as an industry leader!*

Aura Cacia was founded in 1983 in the Trinity Mountains of California. Frontier Natural Products purchased Aura Cacia in 1993 and moved the company from California to Iowa.

2. *Aura Cacia® offers a variety of personal care and aromatherapy products.*

The variety of products include essential oils, skin care oils, mineral and foam baths, shower tablets, massage and body oils, remedy sticks, bubble baths, body scrubs, creams and washes, home aromatherapy products and accessories. We also offer Certified Organic and Fair Trade Certified™ products.

3. *Our essential oils are 100% pure — guaranteed.*

We test our essential oils to ensure that they are free of adulterants such as solvents and synthetic compounds, and we guarantee that they are 100 percent pure and natural.

4. *Aura Cacia® continues to develop new ethical-sourcing partnerships through our Well Earth™ sourcing program.*

We want to ensure the raw materials and packaging components we buy are produced in a sustainable manner. The factors we consider with Well Earth™ are: worker safety and fair treatment, sustainable growing practices, environmental stewardship, community involvement, essential oil safety & quality and conducting internal inspections of all facilities throughout the country.

5. *Our commitment to Co-op.*

At Aura Cacia, we share the co-op values of our parent company Frontier Natural Products Co-op™. We are owned by our wholesale customers who provide the capital for our business to operate. In addition, our member/owners also share in the responsibility of electing our company's board of directors. Our co-op structure fosters honest, responsible business practices that are increasingly valued in the marketplace.
