We take pride in sourcing, screening, and selecting our spices to ensure only the best products available.

Organic Anaheim Chili Peppers - Mildly hot, with the full bodied flavor you expect from Anaheim chilies.

Organic Black Pepper - Ground to the perfect size... not too coarse, not too fine... just right. Frontier only buys cultivated black pepper from Indonesia and India. We never buy the wild harvested black pepper that destroys vital rainforests.

Organic Black Peppercorns - For fresh ground pepper from your own peppermill. Frontier only buys cultivated black peppercorns from Indonesia and India.

Organic Chili Powder - Roasting our chilies brings out the rich flavor found in only the best chili powders.

Organic Cinnamon - Korintje "A" cinnamon has long been considered one of the world's finest cinnamons.

Organic Garlic Granules - Rich and pungent garlic granules add that essential flavor and aroma you want in your best recipes.

Organic Oregano Leaf - Authentic Mediterranean recipes must have top quality Mediterranean oregano. Use Frontier oregano and be certain you are using the best.

Organic Parsley Flakes - Brightly colored and fresh flavored, this organic parsley will brighten up any recipe.

Organic Sweet Basil Leaf - The warm, sweet flavor of our organic basil is indispensable for pizza, pasta sauces, and Italian dishes.

Organic White Onion Flakes - From the sunny fields of California, these onion flakes are the finest available.
