 	Frontier 2961 Sesame Seed, Black CERTIFIED ORGANIC (1lb) Sourced from China The seeds of the sesame plant (Sesamum Indicum) are featured in many Asian cuisines. Black seeds are often preferred over white seeds for garnishing as it adds a dramatic color effect. Sesame seeds contain 18% protein, 12% dietary fiber and are especially rich in copper, manganese, calcium, magnesium, iron, potassium, zinc, and vitamin B1.	0-89836-02961-4
 	Frontier 2346 Chili Peppers, Ground, Chipotle, (Smoked Jalapenos) CERTIFIED ORGANIC (1lb) Sourced from within the United States Fiery smoked ripe jalapenos—and now they're organic! Chipotle powder is used to flavor sauces, rubs, soups, salsas, chili, and stews. This chipotle powder retains the full flavor and punch of the jalapeños, so use sparingly at first.	0-89836-02346-9
	Frontier 230 Peppercorns, Sichuan, Whole (1lb) This gourmet Sichuan, or Szechwan, pepper, is native to northern China. It offers an unusual, pungent flavor that begins warm and lemon-like and finishes with a surprising numbing effect on the tongue! Its complex and unusual flavor can be used to intensify the flavor of fish, poultry, cheese and vegetables. (Same peppers as in the new Frontier Grinder line).	0-89836-00230-3
 	Frontier 2955 Peppercorns, Black, Whole, Tellicherry, CERTIFIED ORGANIC (1lb) Our "TGSEB" (Tellicherry Garbled Special Extra Bold) peppercorns are the highest grade of organic black peppercorns available> they are sorted (or "garbled") for only the plumpest berries—those that produce a rich and complex pepper flavor. Tellicherry black peppercorns are truly multipurpose—used to enhance the natural flavors of a variety of foods. Grind coarsely onto meats, vegetables, beans, salads, and pasta. These peppers are exported from the town of Tellicherry on the Malabar Coast of India. (Same peppers as in the new Frontier Grinder line).	0-89836-02955-3
  	Frontier 2344 Vanilla Beans, Indian Select, CERTIFIED ORGANIC, FAIR TRADE CERTIFIED™ 1/4 lb, (22-30 beans) These gourmet vanilla beans have a distinct sweet and creamy flavor that is full, rich, and perfect for baking. We source these beans from a group of small farmers on the outskirts of Bangalore, India, who are dedicated to sustainable, bio-dynamic farming and social responsibility. The farmers employ predominately women to pick the vanilla beans, which is very unusual for India, and pay their workers well above average rates. Use these beans to make your own vanilla sugar, liquors, or extracts.	0-89836-02344-5
