

New Bulk Herbs, Spices & Teas

MARCH 2009

Smoked Paprika, Organic

At last! We've found an organic smoked paprika that will fire up your cooking—100% organic paprika, smoked with oak wood, then ground to a velvety texture, for a unique, deep smoky flavor!

- Give your bulk customers the newest organic spice available on the market
- Add a unique southwest flavor and rich red color to ribs, fish, stews, sauces, potatoes and plenty more
- Excellent culinary spice for authentic Spanish cooking
- Great addition to meals paired with wines
- Certified organic by Quality Assurance International (QAI)
